

## **HELP LITTLE ONES GROW & THRIVE** With a Leaf on Children's Tree of Life!

Leave a lasting legacy through your own personalized "leaf" on Children's Tree of Life – a special display in the Fetal Care Center, Newborn Intensive Care Unit and Pediatric Intensive Care Unit that celebrates the generosity of our donors.

When you inscribe a leaf in support of Children's Hospital & Medical Center, it sends a message to friends, family, associates, neighbors and the entire community that you care deeply about providing the best care possible for children in the Heartland.

## \$250 | One Leaf with a Personalized Message

There is no limit to the number of leaves that you may purchase, and your message(s) will be customized according to your preference. Donors often choose to honor a loved one, memorialize a friend or family member who has passed on or share sentiments of hope and encouragement with patients and families.
