1. In the first column are your Compliance Items with a description of what's expected/required for that item.
2. The second column, labeled "Value", is where you enter the necessary information.
  - a. If there is a drop-down calendar, enter the date of completion for this item.
  - b. If the drop-down calendar says, "Renewal Date", enter the future date of expiration for that item. (i.e. when will you need your next Influenza vaccine or when does your CPR card expire).
  - c. If there is a simple text box, enter the appropriate information such as numbers for Last 4 digits of SSN or "yes" for Proficiency of written & oral English.
3. The "Comments" column allows you to add any clarifying notes for items.
4. The far-right column is where you can upload a "Supporting Document" if needed. A supporting document is required if there is a highlighted message that says, **"Missing Supporting Document."**
  - a. Click the **Add Document** button. A small pop up will appear.
  - b. Click **Browse** to browse the files on your hard drive.

  - e. You will note that the "Add Document" button has now changed to a **Remove this attachment** button. If you have mistakenly added the wrong document, click this button to remove the file. The orange button will then return to an **Add Document** button, so you can upload a different file. You may upload ONLY ONE file per item so please be sure to combine documents into one file before attempting the upload.
  - f. Lastly, DO NOT upload a .jpeg or other photo file into mCE UNLESS the Hospital specifically asks for a photo file. Jpegs are extremely difficult to read and may not be accepted as a valid document. You can use a scanner or download a FREE app on your cell phone called "PDF Scanner" and use that to combine documents or convert paper copies into digital copies.

Note: DOB is required—However, the Shadow Non-Academic Experience will not receive any type of computer access.
